Home Learning Work Packs

Dear Parent/Carer,

In line with government guidance, school is closing from today until further notice. School is providing each child with a home learning work pack to complete during the school closure.

Your child will receive an English, Maths and Science workbook, a pencil and a blank exercise book, plus their home Reading book. Please use the blank exercise books to complete the home learning tasks and do not write directly into the CGP English, Maths and Science workbooks, as we would like these to be returned to school once we reopen, thank you.

Teachers recommend that your child completes one page, from each book, each day that school is closed, for each subject. For example, a page from the English book, a page from the Maths book and a page from the Science book. Please also continue to encourage your child to read as often as possible.

If you have any questions about the home learning work packs, please feel free to contact the School Office on Monday 23rd March and we will endeavour to answer your questions, or get back to you as soon as possible.

Thank you for your continued support at this difficult time.

Mrs S Redfern
Head Teacher
