On Monday 15th July, all of the Governors will meet to review the academic year. School Leaders have been asked to present and write reports to inform the Governors about each of their subject areas. It's a really informative day and the Governors really enjoy hearing about all of the fantastic things that the children have been doing throughout the course of the year.

Governor Bio:

Kerry Tanner

I have been in post as a Parent Governor for the past five years at Whitgreave. Whitgreave Primary School really is a wonderful place to learn, staff are very caring and our children thrive because they are at the heart of everything we do. Four of my five children have attended the school and I'm hopeful that my fifth child will also be offered the opportunity to join next year. I am also very proud to be a past pupil of Whitgreave. Outside of Whitgreave, I'm a nurse and in my spare time I enjoy crafting and helping out with activities for children at a local church. Exciting opportunities are ahead and I'm always happy to help in any way I can.

Building Update

Governors agreed to the building of some new modular classrooms to be built on the KS2 site—we're very excited to see what happens over the summer.
