Swimming Provision

Swimming and water safety is an important part of the PE Curriculum at Whitgreave Primary School and another way of helping pupils to lead healthy and active lives.

During the academic year, pupils within Year 6 attend swimming lessons once a week, during the Autumn Term and Spring Term. In line with the requirement set out in the National Curriculum, pupils are grouped according to their ability and are taught to swim competently, confidently and proficiently over a distance of at least 25 metres, using a range of strokes effectively and perform safe self-rescue in different water-based situation.

Next Steps/Actions, as a result of the 2023/24 Data:

- Continue top-up funding for Minibus purchase to ensure Year 3 - Year 6 have the opportunity to swim.
- Utilise top-up funding for Swimming for 3 terms, instead of 2.
- Utilise smaller groups sizes - 15 pupils maximum, instead of 30 across 3 teachers.
- Additional sessions per week as opposed to 1 session, on days not effected by school events.
